

Freight Claim Case Overview

Claim FCL-2026-0147 - Northstar Retail Equipment LLC vs. BlueLine Freight Systems

Shipment	Columbus, OH to MetroMart Stores - DC 18, Dallas, TX
References	Sales order SO-483921 Invoice INV-483921 BOL BOL-884219 PRO BLF-77209115
Service	Standard LTL
Ship date	May 4, 2026
Expected delivery	May 8, 2026 by 5:00 PM CT
Actual delivery	May 12, 2026 at 10:42 AM CT
Contents	240 NS-HS40 handheld barcode scanners in 60 cartons (4 units/carton)
Invoice value	\$102,000.00

Claimed loss

Component	Basis	Amount
Missing product	8 units x \$425	\$3,400.00
Damaged/unsellable product	14 units x \$425	\$5,950.00
Independent inspection	Vendor invoice	\$420.00
Repack labor	6 salvageable units	\$300.00
Late-delivery markdown	Commercial impact asserted by shipper	\$18,000.00
Freight charge	Requested refund	\$1,850.00
Total initial demand		\$29,920.00

Current position

BlueLine has acknowledged that the shipment arrived with exceptions but disputes part of the physical-damage claim and rejects the late-delivery markdown component. The latest carrier offer in the email thread is \$7,225. The claim remains open.

Important: This overview is a convenience summary, not a source of truth. Candidate solutions should reconcile it against the underlying records.
